Kendriya Vidyalayas

Kendriya Vidyalayas are not opened district-wise. Presently, new Kendriya Vidyalayas are not being opened anywhere in the country in Civil/Defence sector due to severe budgetary constraint. However, the Sangathan has submitted a proposal for the consideration of Expenditure Finance Committee for opening 26 new Kendriya Vidyalayas.

Navodaya Vidyalayas

The setting up of JNVs depends upon the provision of about 30 acres of suitable land free of cost by the concerned State Govt. along with rent free suitable temporary accommodation for the initial establishment of JNV, till Samiti constructs its own Vidyalaya complex on the permanent site and availability of financial resources.

Normally a JNV sanctioned in a particular year is made functional in the ensuing financial year after conduct of admission test and provision of requisite facilities by the concerned State Govt. The JNVs sanctioned upto 1999- 2000, which have not yet started functioning are Mahasamund (MP), Pune (Maharashtra), Maharajanj (UP), Udaipur (Raj.). In case of Mahasamund (M.P) and Maharajanj (U.P) the promised temporary accommodation did not become available. In case of Pune (Maharashtra) and Udaipur (Rajasthan) it had been agreed that temporary accommodation will be built by NVS on the land to be provided. In case of Pune (Maharashtra) and Udaipur (Rajasthan), the land that was promised have been transferred only recently.

As per information furnished by the Navodaya Vidyalaya Samiti the names of districts where sanction for opening of JNVs has not been given so far is given in Annexure. It is proposed to sanction 30 new JNVs during the current financial year, out of the uncovered districts depending upon the receipt of suitable proposals fulfilling the norms of the Samiti from the State Governments.
